accu-jet® S

Don't miss our special price for the pipette controller accu-jet® S only from October 1 until December 31, 2023!

BRAND. For lab. For life.®

Pipetting aid accu-jet® S

The accu-jet® S pipette controller brings versatility and endurance to your team. It makes lab work simple, easy, and efficient, whether you work with cell cultures, in quality control or in a pharma lab.

Precise pipetting of large and small volumes is easy due to single handed control of pipetting speed for fast, powerful aspiration, accurate meniscus setting, or precise dispensing of small volumes.

Your benefits:

- + Simple: Precise control for accurate volume setting and delicate cell culture work
- + Easy: Integrated rest position
- + Efficient: Service-friendly and sustainable

Promo accu-jet® S
